Connect with Attitude

The Jabra BT2070 offers edgy hands-free design for people who want something out-of-the ordinary. This unique headset has an intriguing design that centers around an illuminating yellow circle that lights up for incoming calls.

The BT2070 performs as well as it looks with simple functionality and staying power. Simple 3-button interface puts connection at your fingertips. Get started straight-away with automatic pairing and just touch the circle to talk. The staying power is great for a headset so small - with impressive talk time that means you can enjoy all-day hands-free comfort and convenience.

Edgy and stylish with quality to back it up - the Jabra BT2070 is state-of-the art hands-free device that lets you connect with attitude.

1) Answer/end button
Tap to answer/end call
Press to turn on/off

Quick start guide

Charging your headset

Charge your Jabra BT2070 until the LED light turns off.

Turning your headset on and off

Press on/off button for app. 2 seconds to turn the headset on or off

Pairing the headset with your phone

1. When you turn on your Jabra for the first time, the headset will automatically start up in pairing mode.
2. Activate Bluetooth on the phone
3. Press 'Yes' or 'OK' on the phone and confirm with PIN code 0000 (4 zeros)
4. Your phone will confirm when the pairing is complete
5. For later pairing: Turn your headset off. Press and hold until solid light comes on

Using your headset

Tap the answer/end button on your headset to answer a call. To end your call, just tap the answer/end button again.

Wearing it how you like it

Your new headset is ready to wear. You can wear it with or without earhook. It is your choice. The earhook comes in two sizes and can be clicked on easily for right or left ear wearing.
