BT2080 | Wireless made easy

Make and take mobile calls wirelessly with the exceptionally easy-to-use Bluetooth® headset by Jabra

easy ◀ smart ultimate

www.jabra.com

First class user friendliness

Now it's easier than ever to cut the cords and go wireless – even if you're not familiar with Bluetooth® technology headsets. The Jabra BT2080 is designed with one focus only: To be the most user friendly, quality headset on the market.

Jabra BT2080 provides all the basic functions you need with the ease of use you want.

- Jabra StatusDisplay™ with two intuitive and clear LED's on the back of the headset shows when to recharge the battery and your current connection status.
- A dedicated on/off button makes it easier than ever to turn the headset on and off. Just switch the button, and you're on.
- Jabra BT2080 is easy to connect to your phone. With the latest Bluetooth® technology version 2.1 you don't have to worry about pin codes.
- Wear it as you like: Over the ear with an ear hook or in the ear with Jabra Eargel™ that add comfort to all your conversations.
- Talk loud and clear: The Jabra BT2080 picks up your voice and delivers clear quality audio to the listener through EDR & eSCO technology.

- A Answer/end button**
- B On/off button**
- C SmartDisplay™ with battery indicator and connection indicator**
- D Charging socket**
- E Volume up/down**
- F Ear hook**

Well designed quality headsets simply don't come easier than the Jabra BT2080.

Bluetooth Indicator 	Indicates if your headset is connected to your phone - Flashing light means headset is connected to your phone - Solid light means headset is in 'pairing mode' and ready to be connected to a new phone
Battery Indicator 	Indicates battery level and if headset is turned ON - Green light indicates that the headset holds above 10 minutes talk time - Red light indicates that the headset holds below 10 minutes talk time
